INTERVIEW SUMMARY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This Interview Summary is made in response to the telephonic interview on April 12, 2004, between Examiner Benjamin Ailes, Examiner Jack Harvey, and Ido Tuchman.

The interview focused on claim 1 of the pending application and the prior art discussed was U.S. Patent Publication No. 2002/0007317 to Callaghan et al. No exhibits or demonstrations were presented during the interview.

Claim 1 was discussed during the interview. The issues discussed were whether a teaching of a database for storing client records and encapsulation of information about a location of a client record in a database is found in Callaghan et al. The Applicant argued that Callaghan does not teach a database for storing client records and encapsulation of information about a location the client record in a database.

It was concluded that the Examiner would take the Applicant's arguments into account in the next Office Action. An agreement as to allowability was not reached.

Respectfully submitted,

Dated: April 15, 2004
